SUMMARY

The Highland Village Lions Foundation Balloon Festival
Is a great way to increase the awareness for your business.

In Denton County

The proceeds from the event will be used to benefit Lions charitable endeavors including providing hearing & vision screenings and qualified children for eye exams and eyeglasses. This is a great way to make a difference in the lives of our children so they can properly see, read, learn and become productive members of the community. In the 2016-2017 school year 54 schools were supported and 5,210 hearing and vision screenings were performed.

“True happiness... is not attained through self-gratification
but through fidelity to a worthy purpose.”

Helen Keller
